## Purrfect Companions Adoption Application

If you're interested in adopting a cat from Purrfect Companions, please complete this application. You will then be interviewed. Animal adoption is a privilege, not a right. We will make every effort to match your expectations with a cat in our care, and we may therefore recommend a cat other than the one that you have selected. The decision to allow or deny adoption is at the discretion of Purrfect Companions and cannot be disputed.

If you adopt a cat from Purrfect Companions, you agree that if any time you are unable to keep or to care for the cat, you will immediately contact Purrfect Companions and will relinquish control and ownership of the cat to Purrfect Companions. NO cat adopted from Purrfect Companions is to be released to any other individual, group, entity or shelter.

Purrfect Companions does not discriminate based upon sex, ethnicity, household status or sexual orientation; however, you must be at least 18 years of age.
